The Guam Housing and Urban Renewal Authority (GHURA) through the U.S. The Department of Housing and Urban Development (HUD) announced that Guam will receive \$500,825,000 in funding to support long-term recovery efforts following Typhoon Mawar (DR-4715-GU). The Community Development Block Grant-Disaster Recovery (CDBG-DR) program administered by GHURA concluded several community and stakeholder engagements to complete an Unmet Needs Assessment to identify and address needs that remain post Mawar, after all other assistance has been exhausted. Through community input and stakeholder engagement, GHURA has drafted its CDBG-DR Action Plan which will support housing, infrastructure, economic revitalization, and disaster mitigation, ensuring long-term resilience and sustainability.

GHURA has made available the Action Plan for public review and comment for 30+ days, beginning May 1, 2025 and concluding on June 2, 2025.

The Action Plan details how funds will be used to address remaining unmet needs in Guam. The CDBG-DR Action Plan will be available electronically on the CDBG-DR website www.guamcdbgdr.org

GHURA will host public hearings at the North, Central and South of the island during the public comment period. Date, location and time are as scheduled:

North	Thursday, May 22, 2025 6:00pm	Yigo Gymnasium Marine Corps Drive, Yigo
